1

Only work with licensed and insured contractors.

2

Get more than one estimate. Don't be pushed into signing a contract right away.

3

Get everything in writing: cost, work, schedule.

4

Require references, and check them out.

5

Request to see a driver's license for salespeople. Write down their license plate number.

6

Never sign a blank contract.

7

Never pay a contractor in full or sign a completion certificate until the work is completed.

8

Insurance fraud is a felony. Don't file a fraudulent claim.

9

Your insurance coverage may be rendered void if you misrepresent your damages.
